Establishing your credit can seem tricky. You don't qualify for a lower rate when you need to borrow money because you have never borrowed money before. How do you fix that? The answer to that conundrum? **Roswell Credit Union's Credit Builder Program!**

Because your savings account serves as collateral, you pay a lower interest rate and simultaneously begin building or reestablishing your credit.

For more information about our Credit Builder Program, contact Katie or Kristi at (575) 623-7788.
